Memorandum

To: Chief Academic Officers and Provosts
From: Dr. Paula Compton, Associate Vice Chancellor, Articulation and Transfer
Date: April 24, 2018
Subject: Survey of Personal Finance CTAN Learning Outcomes

Below you will find a link to a survey of endorsement for the learning outcomes of one CTAN in Personal Finance. The CTAN included in this survey is:

1. Personal Finance

Please forward this memo and all supporting documents to a faculty member that you choose to provide feedback on behalf of your institution. This person should not speak for himself or herself, but for the institution when completing the survey. The appropriate faculty should be familiar with course offerings in personal finance and the course listed above. **If your institution does not offer a course in Personal Finance, you can opt out of the survey after the third question.**

A faculty panel developed the statewide learning outcomes for Personal Finance. This survey is requesting the endorsement of learning outcomes only. We are asking the faculty member to indicate if the learning outcome is essential, necessary but not essential, not necessary for the course.

Please arrange to have an appropriate person at your institution complete the survey as soon as possible but no later than May 4, 2018.

Thanks in advance for your assistance. If you have any questions, contact Anne Skuce, askuce@highered.ohio.gov or (614) 644-6839.
